Complaints: Board members are receiving complaints from members while they are at the Club having a drink or watching a game, or enjoying dinner. Nearly all complaints are from members who do not attend meetings, even if they are at the Club while a membership meeting is taking place. Unless there is an issue that needs immediate attention, Board members (whether Men's or Auxiliary) should be able to enjoy the Club like every other member and not be bothered because a member is uninformed about events or other happenings at the Club.

Your Co-operation is Needed:

When using the kitchen for any reason, any spills that are made must be cleaned up thoroughly. This includes inside the refrigerator units and the stove. This is the responsibility of those who use it; not others. Health Department inspectors will flag us for unsanitary conditions.

Event Ideas Welcome: if you want to chair an event and have the Club open to the public, please present it to the Men's Board ASAP so a license can be obtained. Suggested winter events include a steak fry or chicken dinner. You can use the inside grill. These events are good for the Club.
